How to find us

We are located at the Bangor University Science Site in the 10 storey **Alun Roberts Building (Building 40** on the map below). Our general office is situated on the **8th floor** and signposted from the lifts.

Arriving by car

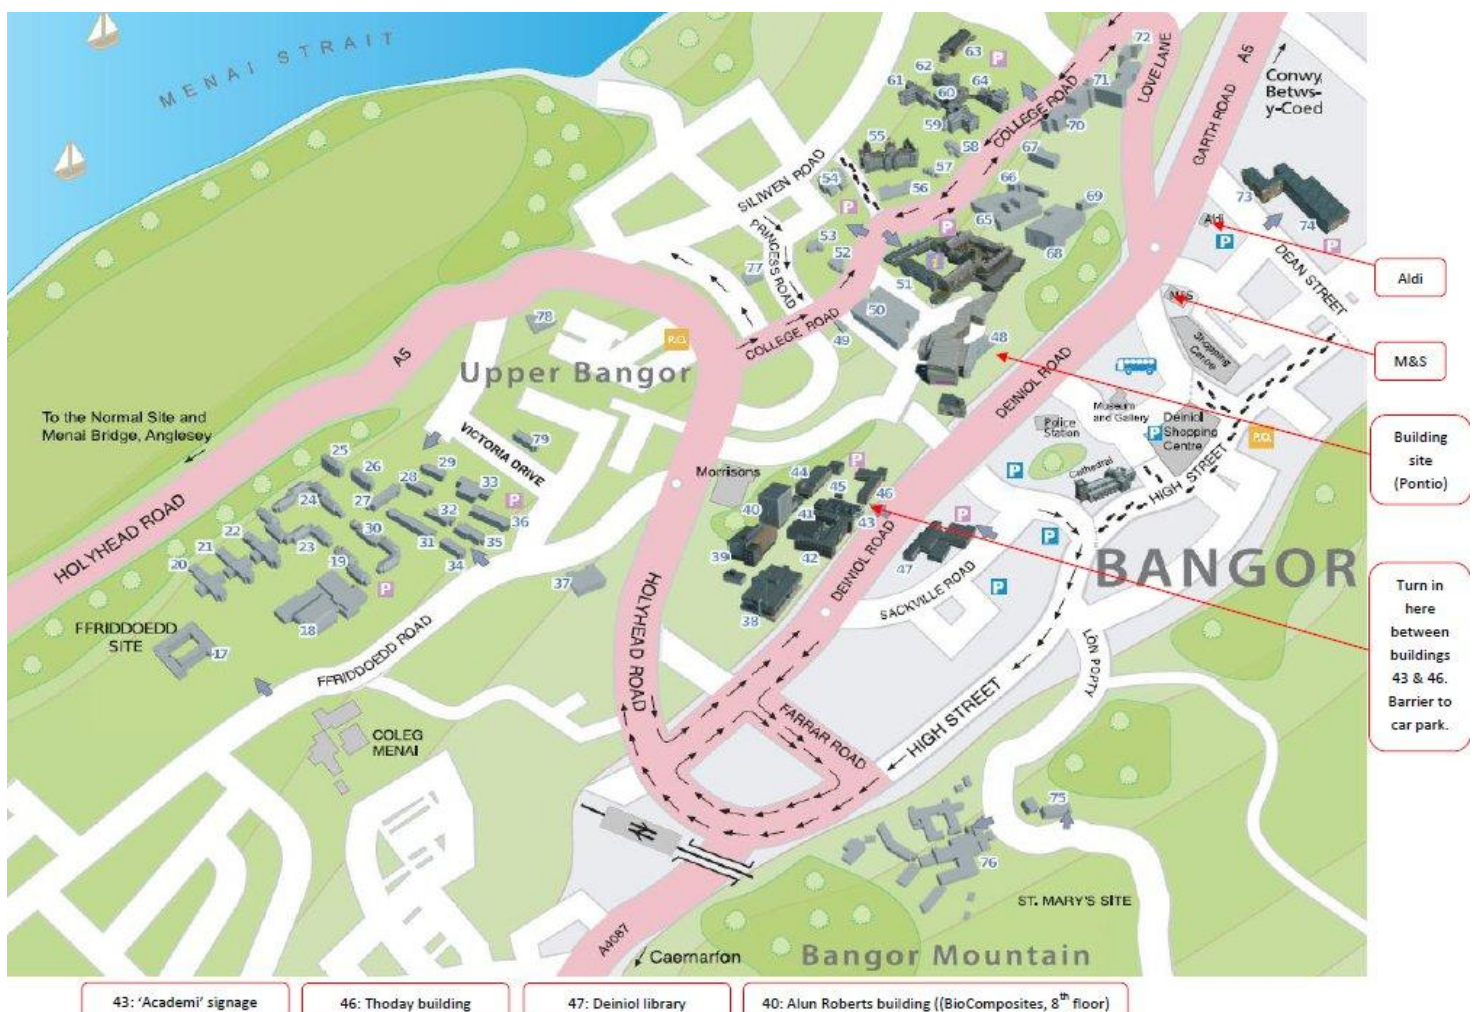

Leave the A55 at Junction 11 and follow signs to Bangor. Pass Llandygai industrial estate and Port Penrhyn. The University Science Site is located just past the new Pontio building on the right hand side of Deiniol Road. The entrance to the main car park is between buildings 43 & 46. Please note: Access to the car park is restricted. Contact us for the access barrier code and to arrange a car parking permit before you set off.

Arriving by train

Bangor is on the main London to Holyhead rail line. Several direct Virgin services run daily through the midlands. A direct trans-Wales service, operated by Arriva, runs between Cardiff and Holyhead.

Arriving by air

Liverpool John Lennon and Manchester International airports are one and a half hours' drive from Bangor.

BC is located in building 40, the Alun Roberts building. Our general office is on the 8th floor.
