

IPPS 2017

The leading technical conference in wood based panels and novel panel products.

The BioComposites Centre are pleased to invite you to IPPS 2017. This year the conference returns to Llandudno on 4th and 5th October. The call for papers is now open.

For more information about the event see www.ipps.uk.com, or to join our mailing list or to discuss sponsorship options, contact us on ipps@bangor.ac.uk

International Panel Products Symposium: 4-5th Oct 2017, Llandudno, Wales

IPPS 2017 will present a wide range of research in wood based panels. Industrial expertise and new products in development always feature highly. The conference attracts a wide audience from across the globe, and both academic and industrial delegates. Join us at IPPS 2017 to network, get up to date and find inspiration from discussing the state of the art and the art of the possible.

Interested in presenting a paper at this year's conference? The editorial team will be pleased to receive abstracts for papers and poster presentations in the following areas:

- Panel performance, durability and weathering
- Resin systems and bio-based resins
- Innovation in wood based panels including: OSB, fibre based insulation materials, softboards, HDF and lightweight panels
- Recycled and novel fibrous feedstocks
- Processing technologies
- Pre-processing, fractionation and pre-treatments
- VOCs and emissions in service
- Composition, visualization and microstructure

Abstracts should be up to 600 words in length, and received by 7th April 2017. Oral presentations will be presented in English and a paper included in the conference proceedings if received before 7th July 2017. Poster presentations are also welcomed. A selection of high quality papers will also be published in a conference edition of the International Journal of Wood Products.

Abstracts can be sent to **The Conference Organiser, IPPS 2017, The BioComposites Centre, Deiniol Road, Bangor, LL57 2UW**. Alternatively email your abstract to ipps@bangor.ac.uk
