**International Panel Products Symposium: 8-9<sup>th</sup> Oct 2019, Llandudno, Wales**  
**Note: Call for papers extended to 15<sup>th</sup> March**

IPPS 2019 will present a wide range of research in wood based panels, including particleboard, OSB, MDF, plywood and innovative products. The conference attracts a wide audience from across the globe, and both academic and industrial delegates. Industrial expertise and new products in development always feature highly. Join us at IPPS 2019 to network, get up to date and find inspiration from discussing the state of the art and the art of the possible.

**Are you interested in presenting a paper at this year's conference?** The editorial team will be pleased to receive abstracts for papers and poster presentations in the following areas:

- Innovation in wood based panels including: OSB, MDF, HDF, particleboard, fibre based insulation materials, softboards, and lightweight panels
- Panel performance
- Resin systems and bio-based resins
- Fire retardants, additives and preservative treatments
- Indoor air quality and legislation for emissions in service
- Recycling and cascading uses of biomass materials
- Processing technologies and pre-treatments
- Visualization and analytical techniques

Abstracts should be up to 600 words in length, and received by 15<sup>th</sup> March 2019. Oral presentations will be presented in English and a paper included in the conference proceedings if received before 5<sup>th</sup> July 2019. Poster presentations are also welcomed. A selection of high quality papers will also be published in a conference edition of the International Wood Products Journal.

Abstracts can be sent to **The Conference Organiser, IPPS 2019, The BioComposites Centre, Deiniol Road, Bangor, LL57 2UW**. Alternatively email your abstract to [ipps@bangor.ac.uk](mailto:ipps@bangor.ac.uk)
